About Kings

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and under-privileged students of this region. KCE has been started during 2001 and run by Raj Educational Trust (RET). KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to the Anna University, Chennai. KCE has acquired ISO certification by TUV, Rheinland, Germany and Accredited by NBA, AICTE-India. Six U.G (B.E., B.Tech. and four P.G (M.E.,) programmes are being offered.

About the Department

The department of Electronics and Communication Engineering was started in 2001, offering B.E.(ECE) programme with excellent laboratory and research facility the programme was continuously affiliated by the Anna University. It offers a post graduate course viz M.E in VLSI Design.

About the Workshop

The workshop will influence on future research and development in wireless systems. It will fuel interdisciplinary collaborations between members of varied communities (e.g., application communities, security, information theory, etc.). It will also educate the general public about the wireless communications hazards and the ways to prevent them.

Topics to be covered :

1. Hazards of wireless communication
2. Effects of using mobile phones
3. Concepts of wireless technology
4. Applications of wireless communication

Resource Persons :

**Dr.D.Sriram Kumar, Associate Professor
NIT Trichy**

**Dr.P.Muthu Chithambaranathan, Associate Professor
NIT Trichy**

About the Resource Persons :

Dr.D.Sriram Kumar, Associate Professor, NITT. He obtained Ph.D in Microwave integrated Circuits-Coplanar Waveguide-Discontinuities-Antennas. His area of interests are Microwave Integrated Circuits, Optical Networks, Smart Antennas and Carbon Nano-Tube Antennas. He got funded project from MHRD of worth Rs.11 lakhs for RF MEMS component. He has published 10 papers in International Journals and 37 papers in National and International Conferences.

Dr.P.Muthu Chithambara Nathan, Associate Professor, NITT. He obtained Ph.D in Analysis of Soliton Propagation in Birefringent Optical Fibers.
