XXIX TAMILNADU INTER ENGINEERING SPORTS

KINGS COLLEG OF ENGINEERING, PUNALKULAM

Vision

To develop a world-class institution with a high degree of work quality, capable of producing highly skilled and highly knowledgeable students who can contribute to the betterment of the community and our mother nation.

Mission

"Quality education for the Backward" - development and progression of the Backward, Most Backward and Tribal communities of the industrially backward districts of Pudukottai and other adjoining districts. Working towards the intellectual growth of these people is our mission.

Quality Policy

We are committed to provide top quality education at the prescribed costs and impart ethical values to the students of this region using modern and innovative teaching methods combined with experienced faculties. We shall truly strive to make the students socially responsible and contribute to the rapid growth of our country.
