National Conference on Advanced Techniques in Concrete, Environmental and Geotechnical Engineering

21st MARCH 2018

NCON'2018

Organized by
Department of Civil Engineering

A NAAC Accredited Institution

KINGS
COLLEGE OF ENGINEERING

Approved by AICTE, New Delhi &
Affiliated to Anna University Chennai

"Creativity is intelligence having fun."

ALBERT EINSTEIN

Conference theme

- Recent innovation in the field of Civil Engineering
- Removal of Industrial effluent by advanced treatment method
- GPS Surveys: Static, Differential & Real Time
- Water Resource Engineering
- Environmental Engineering
- Geotechnical Engineering
- GIS and Remote Sensing Applications
- Behaviour of fiber reinforced concrete
- Load deformation behaviour of confined concrete.
- Transport and traffic modelling
- Pavement materials Characterisation

About the Institution

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated with Anna University, Chennai. The Institution was established in the year 2001 on the sprawling campus of around 60 acres on the Thanjavur - Pudukkottai Highway and run by Raj Educational Trust (RET), Chennai. The Institution offers six UG and five PG programmes and certified with ISO 9001:2008. The state of the art teaching methodologies is used to impart high-quality education to the students including e-learning.

About the Department

The Department of Civil Engineering was established in the year 2010, offering UG programme. It is well equipped with research laboratories and has dedicated staff members. The faculty members of the department have strong research experience in various fields of Structural, Soil Mechanics, Foundation Engineering, Environmental Engineering, Architecture, Surveying and Remote Sensing & GIS. A faculty member had contribution to technical journals, conferences, R & D activities etc., in Civil Engineering. The Civil Engineering Association organizes various activities and events, to unfold the prospects of Civil Engineering in the present day world. The department has been engaged in various activities involving industry- institute interaction, research and development, development of students and services to society etc.

About the Conference

It aims to provide a platform for academics, researchers, scientists, industry experts and architects to exchange the ideas on the latest advances in Civil Engineering. The conference focuses to collaborative R & D works and new projects with end results of sharing knowledge among the participants.

Paper Format

Full Paper not exceeding 5 pages should be submitted in IEEE double column format (soft copy in MS-Word as E-mail attachment). After acceptance, 2 hard copies of the paper along with Registration Fee in the form of Demand Draft should be submitted.
