ABOUT THE COLLEGE

Kings College of Engineering is an institution which was formed with the singular aim of providing quality education to the poor and under-privileged students. KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University. The institution was established in the year 2001 on a sprawling campus of around 60 acres on the Thanjavur – Pudukkottai Highway and run by Raj Educational Trust. The institution offers five UG and five PG programmes. ISO 9001:2008 and NAAC certified institution.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering since its inception in the year 2001 offers programme keeping in pace in technological advancements. Department offers Post Graduate course M.E – MPC and M.E – CSE . Importance to practical training which lay great stress on "hands on" experience besides a sound theoretical background is practiced. Short term courses and technical lectures by eminent professors and professionals are arranged on a regular basis to broaden the knowledge spectrum of students. The state-of-the-art computer centre has over 300 computers with 100 Mbps internet connectivity. The department has highly qualified and experienced faculty to offer both class room teaching and practical instructions

ABOUT THE WORKSHOP

Tailoring to the needs of polytechnic students, workshop is intended to guide in Goal setting and enlighten on approaches to achieve their goal. Integrating the ideas of polytechnic curriculum and analyzing the various opportunities available for the candidates, the workshop will focus on motivating students for a successful career. Highlighting the scope for polytechnic students, participants will be exposed to various prospects in public and private sector.
