One Day Skill Development Program for Non –Teaching faculty on 27.07.13

Draining the Brain, 2013

In order to understand the significance of higher education in particular in the global and Indian context, our Principal has initiated to reinforce the academic activities of the Non-Teaching Staff Members in their respective fields. It is planned to conduct a one day refresher program on 27/07/2013 at 9.30am in AV Hall.

The objective of the program is to

- Understand the linkage between the institution and the students' academic activities.
- Understand the role of a college.
- Acquire and improve knowledge in their respective fields.
- Utilize opportunities for the development of personality.
- Stress the importance of the Inter Personal Relationship.
